

TALUM d.d. Kidričevo protects personal data in accordance with internal acts and applicable legislation in the field of personal data protection. We process personal data in a lawful and transparent manner, in accordance with legitimate and specified purposes. Data are protected in such a way that they are adequately protected from unauthorized and unlawful processing and inadvertent loss, destruction or damage.

Access to data is enabled and authorised only to authorised employees, solely on the basis of established work needs. The collected data are not used to perform automated decision-making or profiling of individuals. Data are not transferred to third countries. The data shall be transmitted to third parties only if so provided by the law or contract on contractual processing.

Personal data, which individuals provide on the basis of personal consent, is processed by TALUM d.d. until the individual's explicit cancellation of the consent to use.

In the event of any questions regarding the use and processing of personal data, please contact gdpr@talum.si.

Infringements of the management and processing of personal data in the territory of the Republic of Slovenia are handled by the Information Commissioner of the Republic of Slovenia.
